Another Party of Mothers and Little Ones Due to Arrive There Tomorrow.

Sun-burned and brown from two weeks' play in the open, 150 children and their mothers regretfully turned homeward from Camp Good Will to-

and their mothers regretary.

The rest of the day will be spent in clearing up the camp and making ready for the next party which will arrive early tomorrow morning.

After many vicissitudes, such as losing the "leading lady," and a rain faturday night which prevented a dress rehearsal, the play planned by the mothers was given last evening. Mrs. Agnes Branagan wrote it, and many of the mothers took part. Mrs. Camp Good Will, was one of the characters, and others were Mrs. Disagreeable, Mrs. Good Mother, Mrs. Housekeeper, Mrs. Good Mother, Mrs. Housekeeper, Mrs. Bride, Mrs. Fashionable, and Mrs. Nurse.

The party that returns is from the Southwest section and the party that goes out tomorrow will be from Georgetown and the northern portion of the city west of Fourteenth street.

To "Next President."

NEW YORK, July 25.—Candidate Charles E. Hughes has apparently one good supporter in the New York Postoffice. Some local wag addressed a letter to "The next President of the United States" and dropped it in a letter box. It reached Hughes head-quarters yesterday with "Try Hotel Astor" marked on the envelope by the mail clerk.

American and European Plans
The great coential of a resort hotel, as distinguished from a city hotel, is ample
public space devoted to the use of its guests, in the form of bright and siry Exchanges, Lobbies, Parlors, Galleries and Solariuma, affording pleasing vistas and
beautiful promenedes, the whole combining into a harmonious vision of grandeur
and beauty, while replete with the cozy group seclusions of home, and yet affording full view of the pleasing panorama of the resort life. In this essential the
flerither susph. Birmhetus stands without an equal in Atlantic City or elsewhere.

Its "Ownership Management," while accounting for its unique reputation, is a
guarantee of the high character of its patronage and the unexcelled quality of its
service and cuisine. It employs only white service is both its American and
a la carte dining rooms.

It makes a specialty of high-class music every evening throughout the year,

with special Sunday night sole features.

Atlantic City, with its only real competitor (Europe) this year impossible, is effection unusual attractions and entertainments. Two flying boats are daily sources of interest. Two golf courses, the Yacht Club, the flahing fleet and the wonderful bathing beach attract their respective devotess, while the pier amusements, numerous theatres, the Boardwalk, the fine motor roads and the splendid hotels and restaurants, afford enjoyment to all. There is only one Atlantic City, and this summer it is particularly gay and attractive. Write for illustrated booklet and rates.
